

Announcement of

The Faculty of Environment and Resource Studies, Mahidol University

A Publication Reward for PhD Students in

Doctor of Philosophy Program in Environment and Resource Studies

(International Program)

The Faculty of Environment and Resource Studies at Mahidol University offers a Publication Reward in order to support students to publish their thesis for the Doctor of Philosophy Program in Environment and Resource Studies (International Program). An announcement of the Faculty of Environment and Resource Studies, Mahidol University regarding A Publication Reward for PhD Students in Doctor of Philosophy Program in Environment and Resource Studies (International Program) announced on the 25th August 2016 is terminated and will use the following content.

1. Objective

To provide a partial fund for students to publish their thesis research in the Doctor of Philosophy Program in Environment and Resource Studies (International Program).

2. Qualifications of Applicants

2.1 Currently enrolled in the Doctor of Philosophy Program in Environment and Resource Studies (International Program), Faculty of Environment and Resource Studies, Mahidol University,

2.2 Successfully defended research proposal,

2.3 Has a paper that is successfully accepted by an approved international journal as follows:

- International journals in the "Core collection" of ISI web of knowledge database with impact factors.
- International journals in Scopus database (no later than 6 months after PhD thesis defense).

3. Application Procedure

Submit a letter requesting a Publication Reward to the Chair of Doctoral Program and the Chair of the Thesis Advisory Committee. The letter should be accompanied by the following documents.

- 3.1 A hard copy of Evaluation of the Thesis Proposal Examination form which shows 'passed' result and a Result of a Revision of Thesis Proposal Examination form (if any),
- 3.2 A hard copy of Thesis title and Thesis Advisory Committee form,
- 3.3 A hard copy of a paper accepted by an approved international journal,
- 3.4 An Evaluation Result of Thesis Examination (only for a student who passes thesis defense before a paper is accepted by international journals in Scopus database).

4. Conditions and Terms

4.1 The Publication Reward is given to a student when the student has submitted documents as required in the application procedure. The publication must not be in the Beall's list. The amount of reward is below,

Journals	Reward
4.1.1 International journals in the "Core collection" of ISI web of knowledge database with impact factors	20,000 baht
4.1.2 International journals in Scopus database	7,500 baht

4.2 If this reward is approved to award the student, this publication cannot reclaim the faculty Publication Reward by any other authors

4.3 The rewarded paper must contain supervisor and/or co-supervisor of the faculty as corresponding authors or co-authors with the Faculty of Environment and Resource Studies as an affiliation.

The decision by the Program Committee is final.

Announced on 1 September 2020
