Title : Dissertation Defense

Doctor of Philosophy Program in Environment and Resource Studies

(International Program)

In order to support PhD students to graduate on time and kindly referring to the PhD program committee's agreement from the 5/2018 meeting on May 18th, 2018, students who first-time enrolled starting with the 2017 academic year, with a student ID number starting with 60 or higher, are required to submit a draft of their publication manuscript attached with their thesis defense request form.

This requirement takes effect starting on the date of this announcement.

Announced on August 14, 2018

A handwritten signature in black ink, appearing to read 'A. Bhaktikul'.

(Associate Professor Dr.Kampanad Bhaktikul)

Dean
