

AGREEMENT FOR EDUCATION AND SCIENTIFIC COOPERATION

between

Asian Center for Environmental Research, Meisei University, Japan
and

Faculty of Environment and Resource Studies, Mahidol University, Thailand

The Asian Center for Environmental Research (ACER), Meisei University, Japan and Faculty of Environment and Resource Studies, Mahidol University, Thailand, join in the following agreement in order to further promote mutual cooperation on culture, education and scientific research.

1. Within fields that are mutually acceptable, the following general forms of cooperation will be persuaded:
 - a. Joint research activities,
 - b. Exchange of invitations to scholars for lectures and seminars, and participation in conferences, colloquia and symposia,
 - c. Exchange of scientific materials and information, and
 - d. Exchange of faculty and students for study and research.
2. Themes of joint activities, conditions for utilizing the results achieved and arrangements for specific visits, sabbatical leaves, exchanges and other forms of cooperation will be negotiated for each specific case.
3. All financial arrangements will have to be negotiated for each specific case.
4. Mutual negotiation on the specific cases mentioned above will be made by the undersigned representatives designated from the two universities.

This agreement will be effective from the date of signature of both sides, and shall remain in effect for a period of five years from the date undersigned. Before the end of this five year term, the condition of this agreement will be deliberated again by both sides.
